

The Gardner Sesquicentennial Committee has hidden seven (7) small plaques and one grand prize plaque somewhere in Gardner.

Fast Facts About the Hunt ~~~~~

- The Medallions will be hidden throughout Gardner
- The First Clue will be published on Friday, February 2nd
- The Medallion could be hidden inside trash on the ground (not inside trash cans)
- The Medallions won't be hidden above 6 feet high
- The Medallion will not be buried under ground, but may be under snow or leaves or inside a bag, cup or other trash. You won't need any tools to find the Medallions.
- Each of the first seven clues will help you find the small Medallion and will also include a small clue to help lead you toward the Grand Prize Medallion
- Clues will be printed in the Gardner News throughout the month of February.
- Remember, clues are designed to be clever and subtle.

Everyone (except a few people who know who they are) is eligible to participate.

If you find one of the small medallions, return it the offices of the *Gardner News*. Winners receive:
